

# Compliance & Data Protection Guidelines

NimbusCloud Technologies Pvt Ltd — Legal & Compliance Department

|                |              |         |                          |
|----------------|--------------|---------|--------------------------|
| Document Code  | LEG-COMP-021 | Version | v3.0                     |
| Effective Date | 18-May-2026  | Owner   | Chief Compliance Officer |

## 1. Data Privacy Policy

NimbusCloud Technologies Pvt Ltd collects and processes personal data necessary to provide the NimbusCloud Drive service, including account information (name, email, billing address), usage data (login times, file access logs), and content stored by users in their files.

### 1.1 Data Retention

| Data Category                       | Retention Period                            |
|-------------------------------------|---------------------------------------------|
| Active account data                 | For the duration of the active subscription |
| Data after account deletion request | 30 days (production), 90 days (backups)     |
| Access & audit logs                 | 365 days                                    |
| Support ticket records              | 3 years                                     |
| Billing and tax records             | 8 years (statutory requirement)             |

## 2. Data Subject Rights (GDPR & Equivalent Regulations)

Users located in jurisdictions covered by GDPR or similar data protection laws have the following rights, which can be exercised by contacting [privacy@nimbuscloud.example](mailto:privacy@nimbuscloud.example):

- Right to Access — obtain a copy of personal data held about them.
- Right to Rectification — correct inaccurate personal data.
- Right to Erasure — request deletion of personal data, subject to legal retention obligations.
- Right to Data Portability — receive personal data in a structured, machine-readable format.
- Right to Object — object to certain types of processing, such as marketing communications.

Data subject requests are acknowledged within 72 hours and fulfilled within 30 days, in line with applicable regulatory timelines. The designated Data Protection Officer (DPO) can be reached at [dpo@nimbuscloud.example](mailto:dpo@nimbuscloud.example).

## 3. Information Security Policy

### 3.1 Access Control

Access to production systems follows the principle of least privilege. All access requests require manager approval and are reviewed quarterly by the Security team. Access is automatically revoked within 24 hours of an employee's last working day.

### 3.2 Password Policy

- Minimum 12 characters, including at least one uppercase letter, one number, and one special character.
- Passwords must be rotated every 90 days for systems handling customer data.
- Reuse of the last 5 passwords is not permitted.
- Multi-factor authentication is mandatory for all employees accessing production systems.

### 3.3 Security Incident Reporting

Any suspected security incident — including lost devices, phishing attempts, or suspicious system access — must be reported to [security@nimbuscloud.example](mailto:security@nimbuscloud.example) within 24 hours of discovery. Confirmed data breaches affecting customer data are disclosed to affected customers and, where legally required, to regulators within 72 hours of confirmation.

## 4. Code of Ethics

- 1 Anti-Bribery & Corruption — employees must not offer, give, or accept bribes, kickbacks, or improper payments of any kind.
- 2 Conflicts of Interest — employees must disclose any personal, financial, or familial interest that could conflict with their duties.
- 3 Confidentiality — confidential company and customer information must not be disclosed to unauthorized parties, during or after employment.
- 4 Whistleblower Protection — employees who report suspected violations in good faith are protected from retaliation. Reports can be made anonymously via the Ethics Hotline.

## 5. SOC 2 Compliance

NimbusCloud Technologies Pvt Ltd maintains SOC 2 Type II certification, covering the Security, Availability, and Confidentiality trust service criteria. An independent audit is conducted annually, and the resulting report is available to Business and Enterprise customers under NDA upon request to [compliance@nimbuscloud.example](mailto:compliance@nimbuscloud.example).

## 6. Third-Party Vendor Risk Management

Vendors with access to customer data or company systems must complete a security assessment before onboarding and are re-assessed annually. Critical vendors (those processing customer personal data or accessing production infrastructure) require a signed Data Processing Agreement (DPA) and are subject to the right of audit.

## 7. Business Continuity Plan

NimbusCloud Technologies Pvt Ltd maintains a Business Continuity Plan (BCP) covering scenarios such as data center outages, key-personnel unavailability, and regional disruptions. The BCP is tested annually through a tabletop exercise involving Engineering, Operations, and Leadership, with findings reported to the Board's Risk Committee.

## **8. Acceptable Use Policy**

Company systems and accounts must be used only for legitimate business purposes. Prohibited uses include: attempting to access systems or data without authorization, introducing malware, circumventing security controls, and using company systems to violate any applicable law. Violations may result in disciplinary action up to termination and, where applicable, referral to law enforcement.

## **9. Export Control & Sanctions Compliance**

NimbusCloud Technologies Pvt Ltd complies with applicable export control and trade sanctions regulations. The platform is not knowingly made available to individuals or entities on restricted-party lists, and the Compliance team screens new Enterprise customers against relevant sanctions lists before contract signature.

## **10. Insurance & Liability**

NimbusCloud Technologies Pvt Ltd maintains cyber liability insurance coverage, errors & omissions (E&O;) insurance, and directors & officers (D&O;) insurance, renewed annually. Details of coverage limits are available to Enterprise customers' legal teams upon request under NDA.
